Nicholas Lowinger  
Gotta Have Sole Foundation  
PO Box 8379  
Cranston, RI 02920

October 14, 2014

Dear Nicholas,

At the recent annual conference, this year held in Denver, Colorado, the *National Association of Healthcare Transport Management* ran a campaign to raise funds for your foundation, *Gotta Have Sole*.

Conference attendees were invited to purchase pink, paper sneakers at \$5.00 per sneaker. They were encouraged to write a thoughtful greeting on each sneaker purchased. These sneakers were then placed on a large display board. By the last day of the conference, we were very happy to see an army of pink sneakers marching across this board!

I am pleased to announce that NAHTM raised **\$870.00** toward the purchase of shoes for children living in shelters. Please accept these funds and we wish you continued success with your charitable endeavors.

With the Highest Regards,

**Pamela Douglas-Ntagha, DNP, JD, RN, MSN, MBA**
